19	Oriental-style Restaurant	香港理工 国际出版社	Hardcover	312	250*250	380		estimate price 288	English and chinese	2011.6	Madame Butterfly Yijia food Sanya QixianYaochi Resort Hotel, Hainan Zuiyunnan Restaurant Yunzhinan Dining Space Renaissance Hotel Bangkok,Thailand and Royal Manor Chinese Restaurant Home	The 21st century, the era of pursuing individuation and diversified consumption, where people need both the creature comfort as well as spiritual enjoyment. We are not only having a taste of the food's colors, flavors and shapes, but also deserve more enjoyment from the catering environment and culture. All sorts of restaurants mix together with the regional culture, noble, romantic. The architect instills the veiled oriental beauty into the western logical design method, with all of which the masterpiece evolves time after time and comes into being. Every detail of the oriental style restaurant conveys the profound oriental historical culture and leads a person to endless aftertastes. In this book, the numerous world-class restaurant design plans have factually presented the way how the designer abstract oriental elements, and relevantly reflect them in the high-end catering market. All of these make the original design conception more mature and commercialized.
